25X1 4. [] Called Darrell St. Claire, Chief Clerk of the Senate, and made arrangements for us to meet with him tomorrow morning to discuss his recent travel to Nepal and Pakistan.

25X1 5. [] Bill Woodruff, on the staff of the Senate Appropriations Committee, called and asked if the Agency's budget had been cut by the Bureau of the Budget. I made arrangements for Mr. John Clarke, OPPB, to talk to Woodruff directly about this.

25X1

Pell went out of his way to compliment the Director and the Agency for the good press we are getting on the Hill, particularly among the previously skeptical liberals. In response to my question, Pell said he thought Chairman Fulbright was sending Committee staff officers Lowenstein and Moose for an on-the-spot look at the Vietnam situation because he distrusted information being received through Administration channels.

Pell asked me about the Greek situation and I said I was somewhat out of touch but in response to his specific questions I said I thought there was some substance to allegations of torture and abuse of political prisoners, that there was apparently general apathy and some latent opposition to the present regime, but the Colonels were dug in and I was aware of no forces, external or internal, likely to unseat them in the near future.

25X1 7. [] Peggy MacDonald, in the office of Senator Henry M. Jackson, called to say that in response to our request the Senator would be glad to receive [], now in Washington under Agency auspices, at 2:00 p.m. tomorrow.

25X1 13. [redacted] Met with Ed Braswell, on the staff of the Senate Armed Services Committee, and he advised me that Senator Stennis had decided not to hold a Committee meeting on legislation tomorrow in view of the press of other matters such as the My Lai matter and several appropriation measures requiring his attention. Braswell said that he would raise the question with the Senator again next week.

Braswell mentioned that Senator Fulbright is sending several staff investigators to Vietnam in connection with the Foreign Relations Committee's hearings. Braswell expects that this will set off a new round of hearings when these men return.

25X1 14. [redacted] Hand carried to Bill Woodruff, on the staff of the Senate Appropriations Committee [redacted]

25X1A [redacted]
I advised Woodruff of the status of our retirement bill and our hope that it would be taken up by the Armed Services Committee in the very near future.

25X1 15. [redacted] Talked with Peggy MacDonald, on the staff of Senator Henry Jackson (D., Wash.), about the visit to the Hill of [redacted] on Friday and raised with her the question of the Senator's availability to meet with this group. She said she would check on this and call me back.

25X1 16. [redacted] Mr. Drury Blair, on the staff of the Subcommittee on Immigration and Naturalization, asked if the Agency might possibly have any information on the extent of Jewish emigration from East European countries, especially from Poland. He said he had been unable to get any figures from the Immigration and Naturalization Service on this. I told him I would check on this and be back in touch.
